May 30, 2024

Parents/Guardians:

Another school year is in the books and now we start preparing for the 2024-2025 school year. The athletic forms that are included with this letter will need to be completed, signed, and returned to Mr. Feather or the school office **before** the first day of practice in the fall. A sport fee of \$40 per sport per athlete will also be charged. The first allowable practice for high school golf is August 5, 2024, while cross country, volleyball, and football is August 12, 2024.

You may choose to have a family doctor complete the physical or you may attend an event for physicals hosted by a local clinic. Regardless, that physical form must be on file with me before a student is allowed to practice. Please note that CHSAA is installing an updated Preparticipation Eligibility Form (PPE) as the required and only form that will be accepted by schools starting 2024-2025 (pilot year) with full integration in 2025-2026. We kindly ask that you use this new form.

Please take advantage of the open gyms, camps, and weight room opportunities that are being offered by our various coaching staffs. If you have questions, please do not hesitate to contact the school (265-2022) or myself (520-9405) for clarification.

Sincerely,

A handwritten signature in black ink, appearing to read "Derek Feather". The signature is fluid and cursive, with the first name being the most prominent.

Derek Feather
Athletic Director

MISSION STATEMENT

Through a safe, caring, and supportive environment, the Fleming School creates a challenging learning experience that encourages academic, physical, and social success.
